As part of the ongoing Dundee Central Waterfront Project we require to undertake works overnight on Tuesday 17 and Wednesday 18 January 2012 for the removal of the pedestrian over bridge between Tayside House and the Earl Grey Car Park. We also require to undertake works overnight on Wednesday 18 and Thursday 19 January 2012 for the purposes of installing a temporary vehicle crash protection barrier on the Tay Road Bridge, westbound on ramp.

Preparatory works are currently being carried out during daytime hours with the intention of keeping overnight disturbance to an absolute minimum. Overnight works will be limited to only the operations that require to be carried out for reasons of safety and disruption to the general public.

You are being contacted as a neighbour to the works and if you have any concerns please contact the telephone number below.

I apologise in advance for any inconvenience this may cause and will endeavour to keep any disturbance to an absolute minimum.

Yours faithfully
